Sir

I have the honour to state that a permanent dressing shed has been found quite necessary in the Veterinary Dispensary at Kumsi and accordingly an estimate in this behalf for Rs 960/- prepared by the Agricultural Engineer has been sanctioned The District Board, Shimoga have credited their quota of Rs 320/- and the local Municipality have intimated that they would pay their quota in three annual instalments commencing from 1942-43 as the municipal funds are too poor to permit payment of the quota in one instalment In the circumstances, I request kind sanction of Government to recover the municipal quota in three annual instalments beginning with 1942-43

I have the honour to be,
Sir,

Sir

Subject - Redovery of the municipal quota Rs 320/- due by the Sumsi Minor Municipality towards the construction of the "Dressing Shed" attached to the Veterinary Dispensary

With reference to your letter No L 12072/41 5041-155 dated 29th June 1942 on the above subject in the matter of furnishing my opinion on the proposal contained in the letter of the Director of Agriculture dated 19th June 1942 regarding the recovery of the Quota of Rs 320/- due by the Sumsi Minor Municipality towards the cost of the construction of the dressing shed attached to the local Veterinary Dispensary I have the honour to forward herewith in original report No W C 19/42-43 dated 9th August 1942 received from the Municipal President Sumsi and to state as follows -

I have looked into the financial condition of the Municipality It is reported that on 1st August 1942 the Municipal Council had a sum of Rs 644-7-7 at its credit The Municipal Council has to adjust a sum of Rs 365/- towards the accounts of the - Public Works Department being the balance amount of Municipal Contribution for sinking a drinking water well at the place Besides this the unicipality has to adjust Rs 89/- towards the Education Cess realisation to the Education Department

As to the ability of the Municipal Council to pay its quota of Rs 320/- I may state that in view of the straitened finances and its limited resources it would be a heavy burden on the Municipality to pay the entire sum in one lump The Municipality may as a special case be permitted to pay the amount in two annual instalments be inning with the current year 1942-43 the first instalment

of Rs 160/ being made payable during the current year from out of the closing balance of the Municipality

A copy of my review on the current year's sanctioned Budget estimate of the Municipality is herewith forwarded for favour of reference as desired

I have the honour to be
Sir
